Dear Conference Participants,

The Illinois Association for Family Child Care is proud to be the host for the 18th National Association for Family Child Care Conference:

Family Child Care Challenge for Excellence
July 17 to July 19, 2008

This is the first National Family Child Care conference ever held in Illinois and we are looking forward to family child care professionals and advocates coming to our state.

A hundred volunteers are needed to assure that conference participants remember this event as the best NAFCC Conference ever. You must be a current Illinois AFCC member to serve as a hostess. Serving as a hostess at this conference provides you with the unique opportunity to meet and talk with leaders in the field of family child care at both local and national levels. You will have the opportunity to network with Family Child Care Professionals from across the United States.

NAFCC will offer a \$50 reimbursement to all participants who complete their commitment. Each hostess will be required to sign-in at the hostess registration desk prior to each assigned activity and check back at registration to the sign a log-out at completion of the assignment.

Participants who complete the requested assignments, including the sign in/sign out sheets, will be mailed a \$50 check for your services following the conference.

Attached is an application form to complete and sign with your preference for assignment at the conference. Please complete this form and return it to:
